

TcpServer::incomingConnection

```
graph LR; A[TcpServer::incomingConnection] --> B[ClientHandler::finished];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'TcpServer::incomingConnection'. The right box is gray with a black border and contains the text 'ClientHandler::finished'. The arrow points from the right side of the first box to the left side of the second box.

ClientHandler::finished
