

TcpServer::incomingConnection

```
graph LR; A[TcpServer::incomingConnection] --> B[ClientHandler::finished]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'TcpServer::incomingConnection'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white and contains the text 'ClientHandler::finished'.

ClientHandler::finished
